About the transfer student...
지 익
You know... Don't you think he's a bit of a nerd ?
YEAH !
He skipped out the school only the first week. Now he comes to the school every-day and doesn't even nap during classes
I've seen him memorizing English vocabulary on another day
And the gang members at the school takes a turn at rubbing him.
What the hell was the rumor about? You know, him being expelled but bought his way here. Who'd expel that guy?!
Maybe, he lied, you know, to bluff.
You know, he may have been bullied really badly in his previous school.
Anyway, he's not the guy we hoped.
No kidding. i guess dreams don't come true as often as it does in drama.

Oh, hey -
Fuck, dude, how much is this ? You are rich.
Just give us this amount regularly and you will be fine.
Is that the rich guy? Is this really okay ?
Yeah, it s fine He's one big fucking fool
On surface, he looks fine.
Well, not my business.
Let's play today
Hmm...

Why don't you inform the teacher about this ?
If you let them be like this, they will keep doing this.
Don't mind me.
Ignore me like everyone else.

I would love to.
But my manwha club is on the second floor of this building.
And I hear you being rubbed every day even if I do not want to.
Trust me.
I do want to ignore you.
Actually -

You piss me off.

I am sure I don't need to remind you but you are one fuckedup loser. It's hard to find a loser like you. And you keep messing around in my domain.
Perhaps, you want a piece of me rather ? You vs. my club?

Uh...
I am ... sorry ...
YOU SHOULD BE ! YOU ARE SORRY, RIGHT !

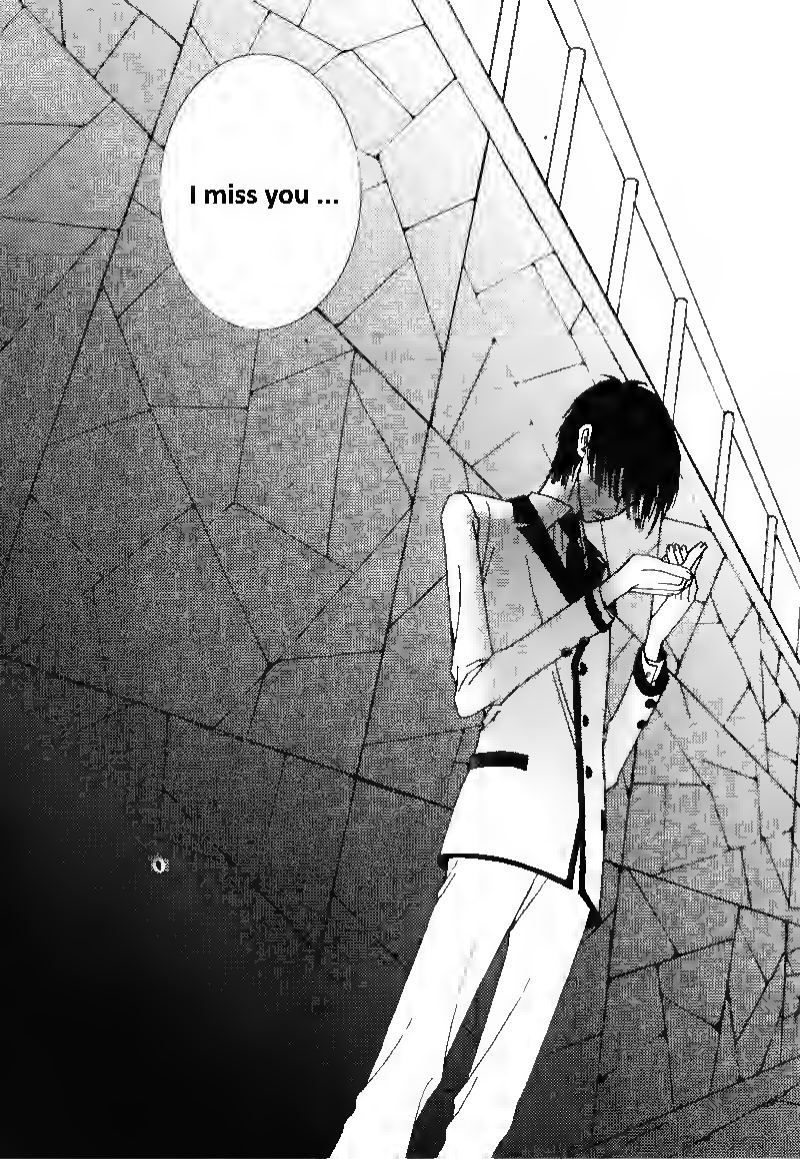
It's been four days ...
He hasn't call me since and even if I do visit his place, it's hard to get a hold of him ...



I miss you ...

You take the flying fan, starting today.
You normally wouldn't let me even get close to the fire.
Quit yabbing and just do as I say.
You've gotten used to the knife now. It's time to master fire.
Start with something easy, like fried rice. You've done it before, haven't you?
I don't wanna.
Ah ?

Why would I want to be tortured by you ?
Unless I get a pay increase...
What did you hit me with that for ?!
Do you think I teach anyone? You should be thankful !
Just grab the fan. I will add a hundred bucks to your paycheck.
Alright!
Why you - little- !
What are you doing this for?! I said I will do it !
Has the age got to him?! Why is he doing this to me ?!
God damn, good that my skull was thick.
He still has got the muscles, so I guess he isn't going yet. Why then ?

His wife...
He got the result.

Why am I strong against alcohol ? If I am drunk now, it wouldn't ba too bad

There is a high enough chance! Last time you got into a bike accident -
You ended up hospitalized for a month and never called us !
Dude, why would I end up dead in the first place? I work in a Chinese restaurant.
This is why I am reluctant to call him up others for drinking. The problem is no matter who I call, the overall story end up similar... I guess it's really me then ?
When you were bullied by Sang-Gu and his goons ! When we saw your broken arm.... !!! ARRRRGGGH !
Hey ! Listen to me carefully ! Your mom's gone now, so you got no one to look after you !
Whenever they talk about you, they all sigh. You got no cell phone or home phone. At least get a pipi (pager) !

If you end up dead, you will end up being donated for medical classes !

신포시장은 인천에서 가장 오래된 재래시장으로 1세기 말 중국인 화농(華農)들이 운영하던 푸선귀전에서 유래되었다
당시 주고객은 일본인들 때서 이 지역엔 유럽풍과 일본풍과 중국풍이 가미된 희귀한 고택들이 공존하다 (대부분 가게)
신포(新浦)란 새로운 포구란 뜻으로 본래 '터진개'라 불리었다
신포동은 개항 당시부터 최근까지 전지 경제, 금융 문화의 중심지로 인천에서 가장 번화한 곳이었으며 대형아트의 출현과 상권의 이동으로 과거에 비해 많이 쇠락했다 하나 전국에서 보기 드문 독특한 문화가 갖한 재래시장으로 싸고 맛있는 오래된(기본 30년 이상) 맛집과 절대 다른 지역에서 볼 수 없는 독특한 가게들이 포진되어 있어 필자가 가장 좋아하는 장소 중 하나다 자장면과 짬뽕
